**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support competitive providers for Internet services, which keeps prices affordable for consumers like me, and for self-employed writers and teachers like me. It's vital to have such affordable services for my work, especially at a time when I'm upgrading to fiber in order to keep my skills viable in the marketplace.
